

WESTERLY

The firm of H. T. Kenyon and company, local contractors and builders, went out of active business Monday evening, and a new partnership under the name of The W. C. Hiccox company, took over the stock of this enterprise, which has been in existence since 1906. It was announced Tuesday that the firm of H. T. Kenyon company will remain in existence until such time as the company's affairs are completely settled.

The members of The W. C. Hiccox company are Walter C. Hiccox, Herbert H. Kenyon and Raymond H. Hiccox. Gordon B. Hiccox, a partner with H. T. Kenyon in the H. T. Kenyon company, has retired. Mr. Kenyon was with the Randolph-Bentley company for 20 years and has been in the contracting and building business for 30 years in Westerly. Walter C. Hiccox, the senior member of the new concern, was with the Randolph-Bentley company, and has been continuously with the H. T. Kenyon company, since the latter company was first started.

In 1911 a partnership was formed by William Randolph, H. Court Bentley, Albert N. Cranston and Clarence C. Maxson following the death of Charles Maxson, the senior member of C. Maxson & Co. The concern did business under the name and name of Randolph-Bentley & Co. Following the deaths of Mr. Randolph and Mr. Bentley, the latter dying in 1919, the stock of the Randolph-Bentley company was purchased by the late Robert A. Sherman in 1920. The concern then went out of active business.

H. T. Kenyon and Gordon B. Hiccox, who had both served with the Randolph-Bentley company during their business careers of 20 years, formed a partnership in February, 1920, and have conducted the lumber and building business under the name of H. T. Kenyon Co. up to the present.

Albert E. Barber, who has been bookkeeper for the Randolph-Bentley company and H. T. Kenyon Co. for a period of 23 years, will continue with The W. C. Hiccox company.

MYSTIC

Considerable excitement was caused on Main street Monday by the action of a dog whose ownership it seems difficult to establish. It is said that the dog bit at least three persons more or less seriously, Joseph Fox, Capt. John Bennett and Mr. Palmer. Efforts were made all day Monday to capture the animal but it was not until Tuesday morning that he was finally rounded up and disposed of after a considerable hunt through the woods north of the village to which he had fled. Opinion seemed to differ as to whether the dog really was mad or simply vicious but it is a great relief to the village that his capture has been accomplished and that no more harm can be done by him.
